### Prep instructions for the HET – Hemorrhoid Treatment

DATE: \_\_\_\_\_ ARRIVAL TIME: \_\_\_\_\_ PROCEDURE TIME: \_\_\_\_\_

Please follow the instructions below. If you have any questions, please contact our office several days prior to your procedure. **Please note:** You must have a driver with you that will stay at the office the entire time for this procedure.

#### PURCHASE AT LEAST TWO DAYS PRIOR TO YOUR TEST:

- 1 Bottle of Magnesium Citrate
- 1 Fleet Enema

#### **On the day prior to your procedure:**

- 1.Regular Breakfast and lunch. All solid food must be eaten before 3pm the afternoon before your procedure. Absolutely nothing solid to eat after 3pm.
- 2.Clear liquids after 3pm until 3 hours before your procedure. Nothing by mouth 3 hours before your procedure.
- 3.At 6pm, drink the bottle of Magnesium Citrate
- 4.Two hours prior to your procedure, take the Fleet enema.
- 5.Fill out the attached Medication Log and bring with you to your procedure.
- 6.Please notify our office ASAP if you are on a blood thinner. You will need written permission to stop this medication 5 days prior to the procedure.

- **2 Days prior to your procedure:** Call our office to confirm your appointment. It is YOUR responsibility to confirm this appointment. We will attempt to call you 3 days prior to confirm your appointment, but in case we do not reach you, please call us! Your procedure may be cancelled, if we do not confirm your appointment.
- You **MUST** have someone accompany you on the day of the procedure. This person **MUST** remain here during your procedure, and will be required to sign a statement saying they will do so. You should be comfortable with this person, as they may need to assist you with dressing after your procedure, and also the doctor may have need to ask this person some questions. **THIS IS A NEW REQUIREMENT AND IS MANDATORY!**
- You and your driver will be required to sign a statement stating that they will remain here during your procedure.
- If you are an insulin-dependent diabetic, please contact your physician for the amount of insulin to be taken on the day before and on the day of your procedure.
- **DO NOT STOP ANY HEART OR BLOOD PRESSURE MEDICATION.** Take them with a sip of water on the morning of your test.
- Please bring this written and completed Colonoscopy packet with you, which includes a written medication list (not the empty container)
- **YOU MAY HAVE CLEAR LIQUIDS ONLY UP TO THREE HOURS BEFORE YOUR PROCEDURE.** Food or liquids in your stomach at the time of your procedure can put you at risk for serious complications
- **DO NOT** chew gum, have mints, etc. after midnight on the night before your procedure.
- **It is your responsibility to get a referral, if your insurance requires it.** A referral is different from a prior authorization. We will take care of any prior authorization needed. If your insurance requires a facility co-pay, you will be expected to pay this when you arrive the day of your procedure

IF YOU HAVE ANY DIFFICULTY WITH YOUR PREPARATION ON THE EVENING BEFORE YOUR TEST – CALL 856-573-7543. You will reach an operator. Please notify them that you have having a procedure the next day and are having problems with your preparation. A doctor will return your call and give you further instructions.

**PEOPLE'S RIGHTS AS PATIENTS  
PATIENT/CLIENT BILL OF RIGHTS**

DiMarino-Kroop-Prieto Gastro-Intestinal Assoc., P.A. adopts and affirms as departmental policy the following rights of patients/clients who receive services from our directly operated or contracted agencies. This policy affords you, the patient/client, the right to:

1. Be treated with respect, consideration and dignity.
2. Receive, upon request, the name of the person in charge of your care.
3. The name and function of any person providing services to you.
4. Obtain from the person responsible for your health care complete current information concerning your diagnosis, treatment, and expected outlook in terms you can be reasonably expected to understand. When it is not medically advisable to give such information to you, the information will be made available to an appropriate person in your behalf.
5. Receive information necessary to give informed consent prior to the start of any procedure and/or treatment, except for emergency situations. This information shall include as a minimum an explanation of the specific procedure or treatment itself, its value and significant risks, and an explanation of other possible treatment methods, if any.
6. Refuse treatment and to be informed of the medical or other consequences of your action.
7. Privacy to the extent consistent with adequate medical care. Case discussion consultation, examination and treatment are confidential and should be conducted discreetly.
8. Privacy and confidentiality of all records pertaining to your treatment, except as otherwise provided by law or third party contract.
9. A reasonable response to your request for services customarily rendered by this facility, and consistent with your treatment.
10. Expect reasonable continuity of care and to be informed, by the person responsible for your health care, of possible continuing health care requirements following discharge, if any.
11. The identity, upon request, of all health care personnel and healthcare institutions authorized to assist in your treatment.
12. Refuse to participate in research. Human experimentation affecting care or treatment shall be performed only with your informed consent.
13. Upon request, examine and receive an itemized explanation of your bill, regardless of source of payment.
14. Know the facility's rules and regulations that apply to your conduct as a patient.
15. Treatment without discrimination as to race, color, religion, sex, national origin, source of payment, political belief or handicap.
16. Expect that reasonable efforts will be taken to accommodate the rights of the non-smoking patient.
17. Expect your reports of pain to be believed and receive information about pain and pain relief measures, with a concerned staff committed to pain prevention and management and health professionals who respond quickly to reports of pain.
18. Change specialty physician if other qualified physicians are available or request a second opinion.

## PATIENT RESPONSIBILITIES

### Provision of Information

A patient has the responsibility to provide accurate and complete information about their medical condition and health history.

A patient is responsible for making it known whether he/she clearly comprehends a contemplated course of action and what is expected of him/her.

A patient is expected to ask the doctor or nurse what to expect regarding pain management and to discuss pain relief options with your providers and nurses and to work with them to develop a pain management plan and to ask for pain relief when pain first begins.

### Compliance with Instructions

A patient is responsible for following the treatment plan recommended by their practitioner(s) for his/her care.

### Refusal of Treatment

The patient is responsible for his/her actions if he /she refuses treatment or does not follow the practitioner(s) instructions.

### Respect and Consideration

The patient is responsible for being considerate of the rights of other patients and office personnel, and for assisting in the control of noise and not smoking. The patient is responsible for being respectful of the property of other persons and of the office.

**IMPORTANT INFORMATION ABOUT BIOPSIES**

During your procedure, it may be necessary to obtain a biopsy. SOUTH JERSEY ENDOSCOPY CENTER sends all the biopsy specimens to MIRACA DIAGNOSTICS. Miraca participates with all insurance companies. It is possible you will receive an "explanation of benefits" from your insurance company stating that you may receive a bill from Miraca. This is not a bill. We have made special arrangements with Miraca on your behalf, and you should not receive a bill, with the exception of any co-pays or deductibles that would normally be your responsibility. You may be billed from Miraca for that amount, and this would be your responsibility.
